RE: Decadent Items, ACT/007/006, Star Point Mine, Plateau Mining Corporation, Carbon County, Utah

Dear Ms. Littig:

Plateau Mining Corporation (PMC) is with this letter, notifying the Division that it has completed the removal of the decadent items at its Star Point Mine as directed by Mr. Bill Malencik in his January 20, 2000, letter. The removal operation required some additional time, due to the heavy snow fall experienced in late February and early March which precluded access and identification.

Mr. Malencik's April 18, inspection notes the clean-up and site conditions. If you have any questions or need additional information, please do not hesitate to contact me.

Sincerely,

A handwritten signature in black ink, appearing to read 'J. Pappas'.

Sr. Environmental Engineer
